3. PP13	Noble Anthem	20-1
4. PP1	Boylston	10-1

LEGEND: **NGL** = SINGLE this leg **MED** = use 2 horses **WIDE** = use 3-4 horses * = DRF Power Pick

SINGLES TODAY R10 Crazy Mason - R12 Renegade - R13 Buetane (single these legs in Pick 4/5/6 to slash combos)

REBUILD (PS): `git pull origin main; python scripts\process_full_card.py; python scripts\animate_full_card.py; python scripts\build`

\$300 BANKROLL - BEST-CHANCE BET SHEET

1 EXA + 1 TRI + 1 SUP for the Derby + Pick 4/5/6 - structured for high cash probability

1 DERBY EXACTA

R12 Kentucky Derby (6:57 ET)

\$10.00

TICKET: \$5 EXACTA BOX 1, 6 (race 12)

SAY TO TELLER: "\$5 exacta box, 1 and 6, race twelve"

HORSES: 1 = Renegade (4-1) | 6 = Commandment (6-1)

WHY: Model's top 2 — either order cashes. Renegade L116 + Commandment L105 are the two best late kicks in the field.

2 DERBY TRIFECTA

R12 Kentucky Derby

\$12.00

TICKET: \$2 TRIFECTA 6 / 1, 9 / 1, 9, 5 (race 12)

SAY TO TELLER: "\$2 trifecta, KEY 6, second 1 and 9, third 1, 9 and 5, race twelve"

HORSES: 6 Commandment (KEY) - 1 Renegade - 9 The Puma - 5 Right to Party

WHY: Commandment KEY (pace-adj #1, +5.7pp edge) over the top 3 with Right to Party 30-1 in 3rd as the price cover.

3 DERBY SUPERFECTA

R12 Kentucky Derby

\$60.00

TICKET: \$1 SUPERFECTA 6 / 1, 9, 5 / 1, 9, 5, 8 / 1, 9, 5, 8, 18 (race 12)

SAY TO TELLER: "\$1 superfecta, 6 with 1 9 5 with 1 9 5 8 with 1 9 5 8 18, race twelve"

HORSES: 6 Commandment - 1 Renegade - 9 The Puma - 5 Right to Party - 8 So Happy - 18 Further Ado

WHY: 60 combos cascading under Commandment — covers the model's top 5 plus Further Ado in 4th. Big payoff if Right to Party hits the slip.

4 PICK 4 (R9-R12)

Races 9 - 10 - 11 - 12 (4:06 - 6:57 ET)

\$48.00

TICKET: \$2 PICK 4 R9: 2, 12 R10: 9 (SINGLE) R11: 4, 5, 9 R12: 1, 6, 9, 5

SAY TO TELLER: "\$2 pick 4: race 9 numbers 2 and 12; race 10 number 9 single; race 11 numbers 4, 5, 9; race 12 numbers 1, 6, 9, 5"

HORSES: R9: Let's Be Frank / Remember Mamba | R10: CRAZY MASON SINGLE | R11: Program Trading / Mercante / Test Score | R12: Renegade / Commandment / Puma / RTP

WHY: Singling 9 in R10 (gap 20.8) collapses combos. Pace-shape supports Crazy Mason; everywhere else use the model's top.

5 PICK 5 (R8-R12)

Races 8 - 12 (3:23 - 6:57 ET)

\$72.00

TICKET: \$1 PICK 5 R8: 1, 6, 7 R9: 2, 12 R10: 9 (SINGLE) R11: 4, 5, 9 R12: 1, 6, 9, 5

SAY TO TELLER: "\$1 pick 5: race 8 numbers 1, 6, 7; race 9 numbers 2 and 12; race 10 single 9; race 11 numbers 4, 5, 9; race 12 numbers 1, 6, 9, 5"

HORSES: R8: Englishman / Crude Velocity / Crown the Buckeye | R9-R12 same as Pick 4 above

WHY: Adds the Pat Day Mile. Englishman is the chalk; Crude Velocity + Buckeye are the overlays. R10 single still holds the leverage.

6 PICK 6 (R7-R12)

Races 7 - 12 (2:38 - 6:57 ET)

\$81.00

TICKET: \$0.50 PICK 6 R7: 4, 6, 8 R8: 1, 6, 7 R9: 2, 12 R10: 9 (SINGLE) R11: 4, 5, 9 R12: 1, 6, 9, 5

SAY TO TELLER: "50-cent pick 6: race 7 numbers 4, 6, 8; race 8 numbers 1, 6, 7; race 9 numbers 2 and 12; race 10 single 9; race 11 numbers 4, 5, 9; race 12 numbers 1, 6, 9, 5"

HORSES: R7: Temptable / Vina Arana / Pin Up Betty | R8-R11 same as Pick 5 | R12 trimmed: Renegade / Commandment / Puma (no RTP)

WHY: Highest payout. Crazy Mason single is the value engine. R12 trimmed to 3 to keep cost manageable; if RTP wins anyway, we still cash the SUPER.

TOTAL DEPLOYED: \$283.00 + \$17.00 reserve = \$300.00 bankroll

Reserve absorbs late line moves. If Right to Party drifts past 30-1 or Crazy Mason's odds shift, hit them again with reserve cash.
